

Personal Care Kit

The following **new and unused** items can be collected and packaged in gallon sized zip lock bags to be distributed to the children at Grace Children's Hospital. Each child who is discharged from the hospital will receive a kit to take home.

Boy's Kit: (sizes 2 - 12)

1 package of 3 pairs of underwear
1 package of 3 pairs of socks
1 small bottle of baby lotion
1 small tube of toothpaste
1 toothbrush
1 matchbox car

Girl's Kit: (sizes 2 - 12)

1 package of 3 pairs of panties
1 package of 3 pairs of socks
1 small bottle of baby lotion
1 small tube of toothpaste
1 toothbrush
1 package barrettes or hair ribbons

Make sure that each kit is packaged individually in a single zip lock bag and that the size and gender of the kit is clearly marked on the outside of the package. We ask that you please collect and package only the items and specific quantities listed above so that every child receives a comparable kit, and that only new items are included for hygienic reasons.

If you would prefer to donate the money for a kit instead of collecting items, Personal Care Kits cost \$9.00 each. Donations to help cover shipping costs are also welcome.

Contact the ICC office (1-800-722-4453) for the best place to ship completed kits. For large quantities of kits, label outer package with "Grace Children's Hospital, Port-au-Prince, Haiti" and send to:
